

**Supervised Agricultural Experience (SAE)  
Quick Reference Listing**

This is an alphabetical reference of SAE areas. It is not an ALL inclusive list.

If you have any questions, contact national FFA center:

Rosalie Hunsinger (317) 802-4255 or

Jim Armbruster (317) 802-4334

<b>Alphabetical Listing</b>	<b>Award Area</b>
<b>This listing is not ALL inclusive</b>	
<b>A</b>	
<b>Agriscience new and emerging technology</b>	Emerging Agricultural Technology
<b>Air conditioning installation or improvement</b>	Ag Mechanics Energy Systems OR Home and/or Community Development
<b>Alfalfa</b>	Forage Production
<b>Alpacas</b>	Specialty Animal Production
<b>Animal breeding services</b>	Agricultural Services
<b>Animal hides processing/tanning</b>	Agricultural Processing
<b>Animal hospitals</b>	Veterinary Medicine
<b>Animal production not covered by other areas</b>	Specialty Animal Production
<b>Apples</b>	Fruit Production
<b>Apricots</b>	Fruit Production
<b>Aquatic animal marketing (catfish; shrimp; crawfish; mollusks; salmon ranching; tropical fishing rearing and tilapia culture)</b>	Specialty Animal Production (formerly in Aquaculture)
<b>Aquatic plant marketing</b>	Specialty Crop Production –
<b>Assistants (Ag Education department)</b>	Agricultural Education
<b>B</b>	
<b>Barley</b>	Grain Production
<b>Barrel racing (Equine)</b>	Equine Science
<b>Beans (unless produced for Oil and not including Soybeans)</b>	Vegetable Production
<b>Bee production</b>	Specialty Animal Production

## Supervised Agricultural Experience (SAE) Quick Reference Listing

This is an alphabetical reference of SAE areas. It is not an ALL inclusive list.

If you have any questions, contact national FFA center:

Rosalie Hunsinger (317) 802-4255 or

Jim Armbruster (317) 802-4334

<b>Beef marketing</b>	Beef Production
<b>Berries</b>	Fruit Production
<b>Biotechnology</b>	Emerging Agricultural Technology
<b>Birdseed producing</b>	Specialty Crop Production
<b>Blood meal by-product processing</b>	Agricultural Processing
<b>Bone by-product processing</b>	Agricultural Processing
<b>Bromegrass</b>	Forage Production
<b>Buckwheat</b>	Grain Production
<b>Building and structures improvements</b>	Agricultural Mechanics Design and Fabrication
<b>By-product processing (Non Food)</b>	Agricultural Processing
C	
<b>Cabins Management</b>	Outdoor Recreation
<b>Calf roping</b>	Equine Science
<b>Calves (Veal)</b>	Beef Production
<b>Camping area</b>	Outdoor Recreation
<b>Canola production or marketing</b>	Fiber and/or Oil Crop Production
<b>Castor beans production or marketing</b>	Fiber and/or Oil Crop Production
<b>Cats</b>	Small Animal Production and Care
<b>Cedar shakes production or sales</b>	Forest Management and Products
<b>Chapter officers/leaders workshop development and presentations</b>	Agricultural Education
<b>Cheese processing</b>	Agricultural Processing
<b>Chemical sales</b>	Agricultural Sales
<b>Cherries</b>	Fruit Production
<b>Chickens</b>	Poultry Production
<b>Christmas tree farming</b>	Forest Management and Products
<b>Citrus fruits</b>	Fruit Production
<b>Civic organization presentations</b>	Agricultural Education
<b>Clover</b>	Forage Production
<b>Coconuts</b>	Fruit Production

## Supervised Agricultural Experience (SAE) Quick Reference Listing

This is an alphabetical reference of SAE areas. It is not an ALL inclusive list.

If you have any questions, contact national FFA center:

Rosalie Hunsinger (317) 802-4255 or

Jim Armbruster (317) 802-4334

<b>Commodities merchandising/sales</b>	Agricultural Sales
<b>Common fruits</b>	Fruit Production
<b>Communication</b>	Agricultural Communication
<b>Community betterment or development</b>	Home and/or Community Development
<b>Compost processing</b>	Agricultural Processing
<b>Computer new and emerging technology</b>	Emerging Agricultural Technology
<b>Confectionary sunflowers</b>	Specialty Crop Production
<b>Conservation</b>	Environmental Science and Natural Resources
<b>Contract feeding</b>	Agricultural Services
<b>Corn for silage</b>	Agricultural Services
<b>Corn for grain</b>	Grain Production
<b>Corn - specialty (Example: Indian Corn, popcorn)</b>	Specialty Crop Production
<b>Cottage management</b>	Outdoor Recreation
<b>Cotton processing</b>	Agricultural Processing
<b>Cotton production or marketing</b>	Fiber and/or Oil Crop Production
<b>Crop merchandising/sales</b>	Agricultural Sales
<b>Crop scouting</b>	Agricultural Services
<b>Crop seed production</b>	Specialty Crop Production
<b>Custom baling services</b>	Agricultural Services
<b>Custom equipment operation and maintenance services</b>	Agricultural Services
<b>Custom feeding</b>	Agricultural Services
D	
<b>Dairy cattle marketing</b>	Dairy Production
<b>Dairy cattle production</b>	Dairy Production
<b>Dairy products marketing</b>	Dairy Production
<b>Dairy products production</b>	Dairy Production

## Supervised Agricultural Experience (SAE) Quick Reference Listing

This is an alphabetical reference of SAE areas. It is not an ALL inclusive list.

If you have any questions, contact national FFA center:

Rosalie Hunsinger (317) 802-4255 or

Jim Armbruster (317) 802-4334

<b>Department of Natural Resources experience</b>	Wildlife Production and Management
<b>Departmental (Ag Education) assistants</b>	Agricultural Education
<b>Digging a well or water line</b>	Agricultural Service
<b>Dill production or marketing</b>	Fiber and/or Oil Crop Production <b>OR</b> Specialty Crop (if for fresh markets)
<b>Dogs</b>	Small Animal Production and Care
<b>Domestic fowl production and marketing</b>	Poultry Production
<b>Donkeys</b>	Specialty Animal Production
<b>Dry edible beans</b>	Specialty Crop Production
<b>Ducks</b>	Poultry Production
<b>Ducks (wild)</b>	Wildlife Production and Management
E	
<b>Educating the public about the broad topics of agriculture, agricultural education and FFA</b>	Agricultural Education
<b>Emus</b>	Specialty Animal Production
<b>Environmental improvement</b>	Environmental Science and Natural Resources
<b>Equine breeding</b>	Equine Science
<b>Equine marketing</b>	Equine Science
<b>Equine production</b>	Equine Science
<b>Equine showing</b>	Equine Science
<b>Equipment design and construction</b>	Agricultural Mechanics Design and Fabrication
<b>Equipment sales</b>	Agricultural Sales
<b>Erosion prevention</b>	Environmental Science and Natural Resources
